

San Marcos Middle School

2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Contact Information

School Name	San Marcos Middle School
Street	650 West Mission Road
City, State, Zip	San Marcos
Phone Number	(760) 290-2503
Principal	Nicole Scott
Email Address	nicole.scott@smusd.org
School Website	https://sanmarcosmiddle.smusd.org/
County-District-School (CDS) Code	37737916039093

2021-22 District Contact Information

District Name	San Marcos Unified School District
Phone Number	(760) 752-1299
Superintendent	Dr. Andrew S. Johnsen, Superintendent
Email Address	andy.johnsen@smusd.org
District Website Address	www.smusd.org

2021-22 School Overview

School Vision

San Marcos Middle School is a thriving community centered around all students reaching the highest levels of academic achievement, enabling them to expand their potential, and preparing them to become productive, responsible, ethical, creative and compassionate members of society. We strive to consciously create an environment of respect and inclusion and to support ethnic, racial, religious and socio-economic diversity among all the constituencies of our school.

School Mission

Our mission is to empower students to acquire, demonstrate, articulate and value knowledge and skills that will support them, as life-long learners, to participate in and contribute to the global world and practice the core values of the school: respect, tolerance & inclusion, and academic excellence.

SMMS' School-Wide Instructional Initiatives:

This year, our Instructional Leadership Team will establish instructional systems and practices for Tier 1 support. The team is responsible for implementing the PLC model during their team time, ensuring teacher collaboration and planning of lessons centered around high-quality education, monitoring school-wide data, and ensuring students receive equitable access to the curriculum. Specific areas of the of the PLC model includes:

High-Quality Instruction- rooted in clear learning objectives, specific to standards, content or skills learned and demonstrated by the students

Literacy Across Curricular- domains of reading, writing, listening, and speaking are evident for assessing student learning of key ideas

Knowledge of Results- providing immediate feedback on performance related to the learning

Data Monitoring- using data to drive instruction and improve student achievement

In addition to these core values, we also work closely with our children's' parents and community stakeholders to assist us in

2021-22 School Overview

supporting our students' education. This engagement with our SMMS families, we believe, is essential in building trust and supporting student participation and a sense of belonging at school.

Finally, our staff is committed to providing a physically and emotionally safe environment for all who attend our school. At SMMS, all students are valued, and we hold high expectations for both our students and staff. These expectations are reinforced through our school-wide positive behavioral intervention system, known as the Crusader VIP/Mentor program.

About this School

2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 6	290
Grade 7	371
Grade 8	308
Total Enrollment	969

2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
American Indian or Alaska Native	0.9
Asian	2.8
Filipino	2.2
Hispanic or Latino	74.5
Native Hawaiian or Pacific Islander	0.2
Two or More Races	4
White	15.4
English Learners	22.3
Foster Youth	0.2
Homeless	1.5
Socioeconomically Disadvantaged	56.3
Students with Disabilities	17.2

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	52
Intern Credential Holders Properly Assigned	0
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0
Unknown	0
Total Teaching Positions	53

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
Permits and Waivers	0
Misassignments	0
Vacant Positions	0
Total Teachers Without Credentials and Misassignments	0

2019-20 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2019-20
Credentialed Teachers Authorized on a Permit or Waiver	0
Local Assignment Options	2
Total Out-of-Field Teachers	2

2019-20 Class Assignments

Indicator	2019-20
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

English Language Arts: The ELA classes embody a rich blend of literature and informational text in which students are challenged to build their reading, writing, listening and speaking skills. The curriculum is based on the California Common Core Standards for English Language Arts and Literacy in History/Social Studies, and Technical Subjects (2010) that outlines a progression of expectations for what students should know and can do. Instruction guides students in comprehending text to determine central ideas and arguments, as well as uncovering the craft and structure within text. Students collaborate and share their ideas in conversation and through writing. As students' experience texts of increasing complexity, they build their capacity for college and career readiness.

Math: Students experience mathematics linked across grade levels and aligned to the State's content standards and the standards for mathematical practice. Students develop foundational conceptual understanding along with procedural skills and fluency as they apply mathematics to solve real world inspired problems. Mathematics takes on greater relevance as students learn to think through their problem solving, share their thinking and examine the thinking of others. A sequence of courses beginning in 6th grade offers students opportunities to stretch their mathematical skills through high school.

Science: SMUSD has transitioned to the Next Generation Science Standards for California Public Schools adopted in September 2013, and continues to incorporate the California Common Core State Standards in Literacy for Sciences that focus heavily on aspects of reading, writing and research. SMUSD has adopted the preferred integrated model for grades six through eight, using a phenomena-based approach to instruction. In 6th grade, guiding concept from the California Science Framework is "systems within organisms and between them are adapted to Earth's climate systems." Students focus on the interaction between living systems and their physical environment and use physical science to explain processes within each of these systems. The guiding concept in grade seven builds on students' understanding of systems from grade six: "Natural processes and human activities cause energy to flow and matter to cycle through Earth's systems." Students track the cycling of matter and energy in chemical systems, food webs, the water cycle, and the rock cycle. Near the end of the year, students examine how human activities alter these systems. Integrated grade eight builds on the ideas of stability and change introduced at the end of grade seven with the guiding concept: "The processes that change Earth's systems at different spatial scales today also caused changes in the past." Students explain different episodes of mass extinction and species diversification during the first three instructional segments and then move to present-day changes at the end of the year. The course begins with students analyzing data about the diversity of species over the last 500 million years, which reveals evidence of several mass extinction events

Social Studies: Students build their understanding of the human story through historical analysis, a focus on geography and historical interpretation. Students in grade six expand their understanding of history by studying the people and events that ushered in the dawn of the major Western and non-Western ancient civilizations. Students in grade seven study the social, cultural, and technological changes that occurred in Europe, Africa, and Asia in the years A.D. 500–1789. Students in grade eight study the ideas, issues, and events from the framing of the Constitution up to World War I, with an emphasis on America's role in the war. SMUSD teachers are incorporating the California History Social Studies Framework adopted in 2016 and the California Common Core State Standards in Literacy for History/Social Sciences that focus heavily on aspects of reading, writing and research.

School Facility Conditions and Planned Improvements

School Facility Conditions

San Marcos Middle School originally opened in 1980. The facility provides a safe, clean and visually stimulating learning environment. Our school includes eight permanent buildings with nine portable classrooms, and services approximately 972 students. San Marcos Middle School has been extensively upgraded over the last several years, including the addition of a two story, 24 classroom building, new fitness and PE locker rooms, and expanded lunch area and school entrance. The physical quality of our facilities supports and influences the learning and teaching at San Marcos Middle School. As such, San Marcos Middle School strives to maintain a clean, safe, and appropriate learning environment for all students and staff to learn and work.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Year and month of the most recent FIT report

	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	969	NT	NT	NT	NT

Students Receiving Migrant Education Services	23	NT	NT	NT	NT
Students with Disabilities	59	NT	NT	NT	NT

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

There are a variety of ways in which San Marcos Middle School and our staff actively engage parents, guardians, and family members in school activities and seek meaningful feedback regarding our programs and policies. For example, our staff regularly distributes electronic surveys to parents that include questions related to family events, trainings, and social-emotional focus areas for our students.

Also, during the annual Back-to-School Night meeting held at the beginning of the school year, parents are informed of programs and interventions at SMMS, as well as Title 1 funding requirements, and School Site Council and English Language Advisory Committee membership. Information regarding curriculum, assessments used to measure progress, and student proficiency levels is also provided to parents during the Back-to-School Night, Parent Teacher Conferences, and during our 6th grade Crusader Tours (school orientation).

Additionally, this year our school has partnered with the Parent Institute for Quality Education (PIQE) to hold a nine-week series of meetings regarding ways in which our parents and guardians can get involved in our school and their child's education. These meetings, as well as most parental meetings at SMMS, are held both during the day and at night to provide for flexibility to meet the unique needs of our families. We also seek parental input on meeting times for committees such as the Parent Teacher Organization (PTO), School Site Council, and the English Language Advisory Committee. Finally, our staff sends weekly telephonic messages and emails to parents regarding programs and events at San Marcos Middle School.

2020-21 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	995	989	94	9.5
Female	471	469	40	8.5
Male	524	520	54	10.4
American Indian or Alaska Native	1	1	1	100.0
Asian	29	29	1	3.4
Black or African American	10	10	1	10.0
Filipino	21	21	1	4.8
Hispanic or Latino	742	737	80	10.9
Native Hawaiian or Pacific Islander	2	2	0	0.0
Two or More Races	37	37	1	2.7
White	153	152	9	5.9
English Learners	228	225	35	15.6
Foster Youth	2	2	0	0.0

Socioeconomically Disadvantaged	569	568	72	12.7
Students Receiving Migrant Education Services	41	41	6	14.6
Students with Disabilities	183	183	33	18.0

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	3.90	0.10	1.50	0.15	3.47	0.20
Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.25	0.74	2.45
Expulsions	0.00	0.00	0.05

2020-21 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.10	0.00
Female	0.21	0.00
Male	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.13	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.00	0.00
English Learners	0.00	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged		
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities		

2021-22 School Safety Plan

School safety is the responsibility and concern of all stakeholders at San Marcos Middle School, including staff, parents, students and community members. As such, a variety of resources and information were utilized in the creation of our Safe School Plan, including existing board policies, crime reports, academic and suspension/expulsion data, and public feedback from School Site Council meetings.

To promote a safe environment, our school community has established a series of guidelines and procedures, such as monthly fire, evacuation, options-based, and earthquake drills. Moreover, these procedures also ensure safe egress within the school parking lot as well as surrounding school areas. All staff must wear bright yellow vests during emergency preparedness drills, as well as during daily school drop-off and pick-up times.

In addition to physical safety procedures, our school has also implemented a series of student programs to support a positive emotional environment. Some of these programs include the Crusader VIP and the Mentor Program as well as anti-drug, alcohol, and bullying assemblies. Additionally, to support social emotional learning of our students, our counseling staff conducts regular lessons utilizing the Second Step program.

Finally, to ensure an appropriate and positive school environment, our Student Discipline Plan is reviewed annually, and assemblies are held to review all aspects of this document. This plan includes procedures established to address classroom disruptions, dress code, fighting, as well as notification of staff related to serious student disciplinary infractions.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	26	12	5	20
Mathematics	28	5	16	9
Science	32	2	4	20
Social Science	32	2	4	20

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	20	16	14	2
Mathematics	26	4	18	5
Science	32		13	9
Social Science	30	1	13	9

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	20	22	18	
Mathematics	23	13	16	
Science	25	3	24	
Social Science	25	6	18	3

2020-21 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	484.5

2020-21 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	2
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0
Psychologist	1
Social Worker	0
Speech/Language/Hearing Specialist	1
Resource Specialist (non-teaching)	0

2019-20 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2019-20 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	9370	2468	6902	88775
District	N/A	N/A	8305	\$84,108
Percent Difference - School Site and District	N/A	N/A	-31.7	8.0
State			\$8,444	\$86,376
Percent Difference - School Site and State	N/A	N/A	-20.1	4.4

2020-21 Types of Services Funded

Gifted and Talented Education (GATE)
 LCAP Supplemental
 Title I
 ASES-After School Program

2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$42,283	\$52,562
Mid-Range Teacher Salary	\$84,562	\$83,575
Highest Teacher Salary	\$106,898	\$104,166
Average Principal Salary (Elementary)	\$133,678	\$131,875
Average Principal Salary (Middle)	\$139,760	\$137,852
Average Principal Salary (High)	\$149,585	\$150,626
Superintendent Salary	\$255,475	\$260,243
Percent of Budget for Teacher Salaries	36%	34%
Percent of Budget for Administrative Salaries	4%	5%

Professional Development

San Marcos Unified School District (SMUSD) is committed to the belief that the strongest predictor of student achievement is the quality of the teacher inside the classroom. In support of this belief, SMUSD is deeply committed to teacher learning and professional development as evidenced by our district mission statement.

San Marcos Unified School District's Mission Statement includes these commitments:

- "hiring and retaining only the best educators and investing in their success."
- "providing quality education based on high standards, effective practices, continuous improvement, and innovation."

Every new teachers in our district engages in a rigorous 2 year training program where the new employee receives 30 hours of professional development on our research-based instructional framework, the Essential Elements of Instruction (EEI). These instructional strategies apply to any curricular area and any grade level. New administrators to the District receive professional learning in this instructional framework as well.

In the 2021-2022 school year, at the secondary level, the district focused professional learning on the continued implementation of state academic standards in English language arts, English development, mathematics, science, and history. Attention was placed on identifying key learnings and the integration of common formative assessments in English language arts and math within the instructional cycle. Science teachers were given time to delve deeply into NGSS, aligning and/or creating course outlines and units to the requirements of the new standards. With distance learning, the use of technology within the educational setting to support the implementation of standards and student learning has required on-going professional development for teachers to confidently and effectively use these tools.

Various means of professional learning were offered: professional development during the regular workday, during school breaks, and after school as well as online sessions available for staff to access during times that best work with their schedule. Principals provided staff development during regularly scheduled staff meetings throughout the year. Teachers who work with students with special needs engaged in ongoing collaboration to implement more inclusive delivery models.

Teachers continued to engage in professional development each week as they worked collaboratively during their structured teacher collaboration time (early release Wednesdays for elementary/middle school staff and late start Tuesdays for high school staff). This provided teachers the opportunity to share best practices with other teachers in their departments to plan collaboratively.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2019-20	2020-21	2021-22
Number of school days dedicated to Staff Development and Continuous Improvement	62		51

San Marcos Unified School District 2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

2021-22 District Contact Information

District Name	San Marcos Unified School District
Phone Number	(760) 752-1299
Superintendent	Dr. Andrew S. Johnsen, Superintendent
Email Address	andy.johnsen@smusd.org
District Website Address	www.smusd.org

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	10651	3	0.03	99.97	--
